It's Time for Spring Cleaning

Break out the brooms, rakes, paint and brushes this season and help the community shine. Specific Spring Cleanup dates have been set aside for each installation. Included in this beautification period are two days for housing areas and two days for administrative buildings. They are as follows:

Kelley Barracks: Administrative Building Cleanup, May 24 to 25; Housing Area Cleanup, May 26 to 27

Patch Barracks: Administrative Building Cleanup, May 24 to 25; Housing Area Cleanup, May 26 to 27

Panzer Kaserne: Administrative Building Cleanup, June 1 to 2; Housing Area Cleanup, June 3 to 4

Robinson Barracks: Administrative Building Cleanup, June 1 to 2; Housing Area Cleanup, June 3 to 4

Bagged refuse, branches and large, oversized waste such as mattresses and couches should be placed in or next to dumpsters for pickup. Administrative area occupants may establish pick-up points along main roads with their installation coordinator. Items that may not be placed in dumpsters include tires, large metal items, shelving, auto parts, car batteries and any predominately wood items larger than one cubic foot (especially wooden pallets). Environmentally restricted items should be taken to designated hazardous waste sites.

Building and housing coordinators may obtain tools, rakes, brooms, trash bags, grass seed and more from the Self Help Issue Point stores. Prior coordination is encouraged.

Organizations are requested to release personnel living in government quarters during their allotted day. For tips, tasks and other information call your respective installation coordinator: Ty Stearn, Kelley Barracks, 0711-729-2522; Lewie Young, Patch Barracks, 0711-680-5450; William Metcalf, Panzer Kaserne, 07031-15283; and Roland Meder, Robinson Barracks, 0711-819-6033.
